### COVID-19

Upon arrival in Malta, each delegation must provide the following:-

- Passengers arriving from countries on the 'Amber List' are **required to submit a negative COVID-19 PCR test certificate** before boarding flights to Malta. The swab test should be carried out **within the previous 72 hours**. Persons who fail to produce this test may be submitted to testing in Malta and also subjected to a quarantine. For increased security, **random swab tests** may be conducted on passengers upon arrival at the Malta International Airport.

The Health Ministry announced that, from Monday 29th March 2021, a revision will be made in the list of countries in the amber zone so that all countries currently in the green zone are added to this list.

Further details and updated information may be found on <https://www.visitmalta.com/en/covid-19>.

All members of the contingents must present a negative Rapid Test Result to enter the hotel.

Once they have checked into the hotel, everyone must undergo a PCR Test and remain in their respective rooms until they receive their result.

The Organizer will conduct and is financially responsible for both, the RT-PCR and rapid testing upon arrival to the venue and the rapid testing during the Tournament.

To gain access to the Tal-Qroqq Sports Complex, everyone must present an identification document.
